PLEASE TAKE NOTICE THAT:

On October 7, 2020 (the “Petition Date”), RTI Holding Company, LLC and certain of its affiliates, as debtors and debtors in possession (collectively, the “Debtors”), filed voluntary petitions for relief under chapter 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Court”).

On October 22, 2020 the Court entered an order [Docket No. 181] (the “Bar Date Order”)² establishing certain dates by which parties holding prepetition claims against the Debtors must file proofs of claim (“Proofs of Claim”), including claims by governmental units, claims arising under section 503(b)(9) of the Bankruptcy Code, and Rejection Damages.

For your convenience, enclosed with this notice (this “Notice”) is a Proof of Claim form, which identifies the amount, nature, and classification of your claim(s), if any, listed in the Debtors’ schedules of assets and liabilities filed in these cases (the “Schedules”). If the Debtors believe that you hold claims against more than one Debtor, you will receive multiple Proof of Claim forms, each of which will reflect the nature and amount of your claim as listed in the Schedules.

As used in this Notice, the term “entity” has the meaning given to it in section 101(15) of the Bankruptcy Code, and includes all persons, estates, trusts, governmental units, and the Office of the United States Trustee for the District of Delaware. In addition, the terms “persons” and “governmental units” are defined in sections 101(41) and 101(27) of the Bankruptcy Code, respectively.

As used in this Notice, the term “claim” means, as to or against the Debtors and in accordance with section 101(5) of the Bankruptcy Code: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

A. THE BAR DATES.

The Bar Date Order establishes the following bar dates for filing Proofs of Claim in these chapter 11 cases (the “Bar Dates”).

a. *The Claims Bar Date.* Pursuant to the Bar Date Order, except as described below, all entities holding claims against the Debtors that arose or are deemed to have arisen prior to the commencement of these cases on the Petition Date, including requests for payment pursuant to section 503(b)(9) of the Bankruptcy Code, are required to file Proofs of Claim by **December 17, 2020** (the “Claims Bar Date”). The Claims Bar Date applies to all types of claims against the Debtors that arose prior to the Petition Date, including secured claims, unsecured priority claims, and unsecured non-priority claims; *provided that*, unless otherwise ordered by the Court, the bar date for filing claims arising from the rejection of executory contracts and unexpired leases of the Debtors shall be the later

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Bar Date Order.

of: (a) the Claims Bar Date; or (b) the date that is thirty days following entry of an order approving the rejection of any executory contract or unexpired lease of the Debtors.

b. *The Governmental Bar Date.* Pursuant to the Bar Date Order, all governmental units holding claims against the Debtors that arose or are deemed to have arisen prior to the commencement of these cases on the Petition Date are required to file proofs of claim by **April 5, 2021** (the “Governmental Bar Date”). The Governmental Bar Date applies to all governmental units holding claims against the Debtors (whether secured, unsecured priority, or unsecured non-priority) that arose prior to the Petition Date, including, without limitation, governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which the Debtors were a party.

c. *The Amended Schedules Bar Date.* Pursuant to the Bar Date Order, all parties asserting claims against the Debtors’ estates that are affected by a previously unfiled Schedule or amendment or supplement to the Schedules are required to file Proofs of Claim so that such Proofs of Claim are actually received by the Claims and Noticing Agent by the Amended Schedules Bar Date (i.e., by the later of (a) the Claims Bar Date or the Governmental Bar Date, as applicable, or (b) the date that is twenty-one days from the date on which the Debtors provide notice of such filing, amendment or supplement).

d. *The Rejection Damages Bar Date.* Pursuant to the Bar Date Order, all parties asserting claims against the Debtors’ estates arising from the Debtors’ rejection of an executory contract or unexpired lease are required to file Proofs of Claim with respect to such rejection so that such Proofs of Claim are actually received by the Claims and Noticing Agent by the Rejection Damages Bar Date (i.e., by the later of (a) the Claims Bar Date or the Governmental Bar Date, as applicable, or (b) the date that is thirty days following entry of an order approving such rejection).

B. WHO MUST FILE A PROOF OF CLAIM.

Except as otherwise set forth herein, the following entities holding claims against the Debtors that arose (or that are deemed to have arisen) prior to the Petition Date *must* file Proofs of Claim on or before the Claims Bar Date:

a. any person or entity whose claim against a Debtor is not listed in the applicable Debtor’s Schedules or is listed in such Schedules as “contingent,” “unliquidated,” or “disputed” if such person or entity desires to participate in any of these chapter 11 cases or share in any distribution in any of these chapter 11 cases;

b. any person or entity who believes that its claim is improperly classified in the Schedules or is listed in an incorrect amount and who desires to have its claim allowed in a different classification or amount other than that identified in the Schedules;

c. any person or entity who believes that its prepetition claims as listed in the Schedules is not an obligation of the specific Debtor against which the claim is listed and that desires to have its claim allowed against a Debtor other than that identified in the Schedules; and

d. any entity who believes that its claim against a Debtor is or may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

C. PARTIES WHO DO NOT NEED TO FILE PROOFS OF CLAIM

Certain parties are not required to file Proofs of Claim. The Court may, however, enter one or more separate orders at a later time requiring creditors to file Proofs of Claim. If the Court does enter such an order, you will receive notice of it. The following entities holding claims that would otherwise be subject to the Bar Dates need *not* file Proofs of Claims:

- a. any person or entity who already has filed a signed Proof of Claim against the respective Debtor(s) with the Clerk of the Court or with Epiq in a form substantially similar to Official Form 410;
- b. any person or entity whose claim is listed on the Schedules if: (i) the claim is *not* scheduled as any of “disputed,” “contingent,” or “unliquidated;” (ii) such person or entity agrees with the amount, nature, and priority of the claim as set forth in the Schedules; and (iii) such person or entity does not dispute that its claim is an obligation only of the specific Debtor against which the claim is listed in the Schedules;
- c. any person or entity whose claim has previously been allowed by order of the Court;
- d. any person or entity whose claim has been paid in full by the Debtors pursuant to the Bankruptcy Code or in accordance with an order of the Court;
- e. any Debtor having a claim against another Debtor;
- f. any person or entity whose claim is solely against any of the Debtors’ non-Debtor affiliates;
- g. any person or entity whose claim is based on an equity interest in any of the Debtors; *provided* that any holder of an equity interest who wishes to assert a claim against the Debtors, including a claim relating to such equity interest or the purchase or sale of such interest, must file a proof of claim asserting such claim on or prior to the applicable bar date pursuant to procedures set forth herein;
- h. any current or former officer, director, manager, or employee of any Debtor for claims based on indemnification, contribution, or reimbursement;
- i. any person or entity holding a claim for which a separate deadline is fixed by this Court;
- j. counterparties to nonresidential real property leases shall not be required to file Proofs of Claims with respect to prepetition amounts unless and until such unexpired leases have been rejected;
- k. claims for fees and expenses of professionals retained in these chapter 11 cases.

D. INSTRUCTIONS FOR FILING PROOFS OF CLAIM.

The following requirements shall apply with respect to filing and preparing each Proof of Claim:

- a. *Contents.* Each Proof of Claim must: (i) be written in English; (ii) include a claim amount denominated in United States dollars; (iii) conform substantially with the Proof of Claim Form provided by the Debtors or Official Form 410; and (iv) be signed by the claimant or by an authorized agent or legal representative of the claimant.
- b. *Section 503(b)(9) Claim.* Any Proof of Claim asserting a claim entitled to priority under section 503(b)(9) must also: (i) include the value of the goods delivered to and received by the Debtors in the twenty days prior to the Petition Date; (ii) attach any documentation identifying the particular invoices for which the 503(b)(9) claim is being asserted; and (iii) attach documentation of any reclamation demand made to the Debtors under section 546(c) of the Bankruptcy Code (if applicable).
- c. *Original Signatures Required.* Only *original* Proofs of Claim may be deemed acceptable for purposes of claims administration. Copies of Proofs of Claim or Proofs of Claim sent by facsimile or electronic mail will not be accepted.
- d. *Identification of the Debtor Entity.* Each Proof of Claim must clearly identify the Debtor against which a claim is asserted, including the individual Debtor's case number. A Proof of Claim filed under the joint administration case number or otherwise without identifying a specific Debtor, will be deemed as filed only against Maines Paper & Food Service, Inc.
- e. *Claim Against Multiple Debtor Entities.* Unless otherwise ordered by the Court, each Proof of Claim must state a claim against *only one* Debtor and clearly indicate the Debtor against which the claim is asserted. To the extent more than one Debtor is listed on the Proof of Claim, such claim may be treated as if filed only against the first-listed Debtor.
- f. *Supporting Documentation.* Each Proof of Claim must include supporting documentation in accordance with Bankruptcy Rules 3001(c) and (d). If, however, such documentation is voluminous, upon prior written consent of Debtors' counsel, such Proof of Claim may include a summary of such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that receives such written consent shall be required to transmit such writings to Debtors' counsel upon request no later than ten days from the date of such request.
- g. *Timely Service.* Each Proof of Claim must be filed, including supporting documentation, so as to be *actually received* by Epiq on or before the Claims Bar Date or the Governmental Bar Date (or, where applicable, on or before any other bar date as set forth herein or by order of the Court) either (1) electronically through the interface available at <https://dm.epiq11.com/RubyTuesday>; (2) by first class mail to Ruby Tuesday, Inc., Claims Processing Center, c/o Epiq Corporate Restructuring, LLC, P.O. Box 4420, Beaverton, OR 97076-4420; or (3) by hand delivery or overnight mail to Ruby Tuesday, Inc., Claims Processing Center, c/o Epiq Corporate Restructuring, LLC, 10300 SW Allen Blvd., Beaverton, OR 97005.

PROOFS OF CLAIM SUBMITTED BY FACSIMILE OR ELECTRONIC MAIL WILL NOT BE ACCEPTED.
--

- h. *Receipt of Service.* Claimants wishing to receive acknowledgment that their Proofs of Claim were received by Epiq must submit (i) a copy of the Proof of Claim Form (in addition to the original Proof of Claim Form sent to Epiq) and (ii) a self-addressed, stamped envelope.

E. CONSEQUENCES OF FAILING TO TIMELY FILE YOUR PROOF OF CLAIM.

Pursuant to the Bar Date Order and in accordance with Bankruptcy Rule 3003(c)(2), if you or any party or entity who is required, but fails, to file a Proof of Claim in accordance with the Bar Date order on or before the applicable Bar Date, please be advised that:

YOU WILL BE FOREVER BARRED, ESTOPPED, AND ENJOINED FROM ASSERTING SUCH CLAIM AGAINST THE DEBTORS (OR FILING A PROOF OF CLAIM WITH RESPECT THERETO);

THE DEBTORS AND THEIR PROPERTY SHALL BE FOREVER DISCHARGED FROM ANY AND ALL INDEBTEDNESS OR LIABILITY WITH RESPECT TO OR ARISING FROM SUCH CLAIM;

YOU WILL NOT RECEIVE ANY DISTRIBUTION IN THESE CHAPTER 11 CASES ON ACCOUNT OF THAT CLAIM; AND

YOU WILL NOT BE PERMITTED TO VOTE ON ANY CHAPTER 11 PLAN OR PLANS FOR THE DEBTORS ON ACCOUNT OF THESE BARRED CLAIMS OR RECEIVE FURTHER NOTICES REGARDING SUCH CLAIM.

F. AMENDMENTS TO THE DEBTORS' SCHEDULES

If, subsequent to the date of this Notice, the Debtors amend or supplement their Schedules to reduce the undisputed, noncontingent, and liquidated amount of a claim listed in the Schedules, to change the nature or classification of a claim against the Debtors reflected in the Schedules, or to add a new claim to the Schedules, the affected creditor is required to file a Proof of Claim or amend any previously filed Proof of Claim in respect of the amended scheduled claim on or before the later of (a) the Claims Bar Date or the Governmental Bar Date, as applicable to such claim and (b) the date that is twenty-one days after the date that on which the Debtors provide notice of the amendment to the Schedules (or another time period as may be fixed by the Court) as the date by which claimants holding claims affected by the amendment must file Proofs of Claim with respect to such claim (any such date, an "Amended Schedules Bar Date").

G. RESERVATION OF RIGHTS.

Nothing contained in this Notice is intended to or should be construed as a waiver of the Debtors' right to: (a) dispute, or assert offsets or defenses against, any filed claim or any claim listed or reflected in the Schedules as to the nature, amount, liability, or classification thereof; (b) subsequently designate any scheduled claim as disputed, contingent, or unliquidated; and (c) otherwise amend or supplement the Schedules.

H. THE DEBTORS' SCHEDULES AND ACCESS THERETO.

You may be listed as the holder of a claim against one or more of the Debtor entities in the Debtors' Schedules. To determine if and how you are listed on the Schedules, please refer to the descriptions set forth on the enclosed proof of claim forms regarding the nature, amount, and status of your claim(s). If the Debtors believe that you may hold claims against more than one Debtor entity, you

will receive multiple proof of claim forms, each of which will reflect the nature and amount of your claim against one Debtor entity, as listed in the Schedules.

If you rely on the Debtors' Schedules, it is your responsibility to determine that the claim is accurately listed in the Schedules. However, you may rely on the enclosed form, which sets forth: (a) the amount of your claim (if any) as scheduled; (b) identifies the Debtor entity against which it is scheduled; (c) specifies whether your claim is listed in the Schedules as "contingent," "unliquidated," or "disputed; and (d) identifies whether your claim is scheduled as a secured, unsecured priority, or unsecured non-priority claim.

As described above, if you agree with the nature, amount, and status of your claim as listed in the Debtors' Schedules, and if you do not dispute that your claim is only against the Debtor entity specified by the Debtors, and if your claim is not described as "disputed," "contingent," or "unliquidated," you need *not* file a proof of claim. Otherwise, or if you decide to file a proof of claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
